

Cape to Cape Walk Track

What better way to experience this iconic track than to base yourself in comfortable accommodation along the way and shuttle to / from start / finish?

We've created the ideal methodology...

Stages 1 / 2 / 3: Accommodation at Wyadup Cottages (Yallingup) – for 3 nights with transfers
Stages 4 / 5 / 6: Accommodation at your choice of 5 Margaret River properties - for 3 nights with transfers
Stages 7 / 8: Accommodation at Wrenwood Chalets (Deepdene) – for 2 nights with transfers

In each instance, the preferred option is for walkers to drive their car to the day's finishing point (leaving it there), from where we will transfer you to the day's starting point. Then, at the end of the day's walk, you drive your own vehicle back to our accommodation. In such instances, transfer costs will range from \$70 to \$140 per vehicle – based on \$0.50 per km and a fee for the driver's time.

All up cost – including transfers & 8 night's accommodation:-

2 persons occupying 1 bedroom – from \$850 per person

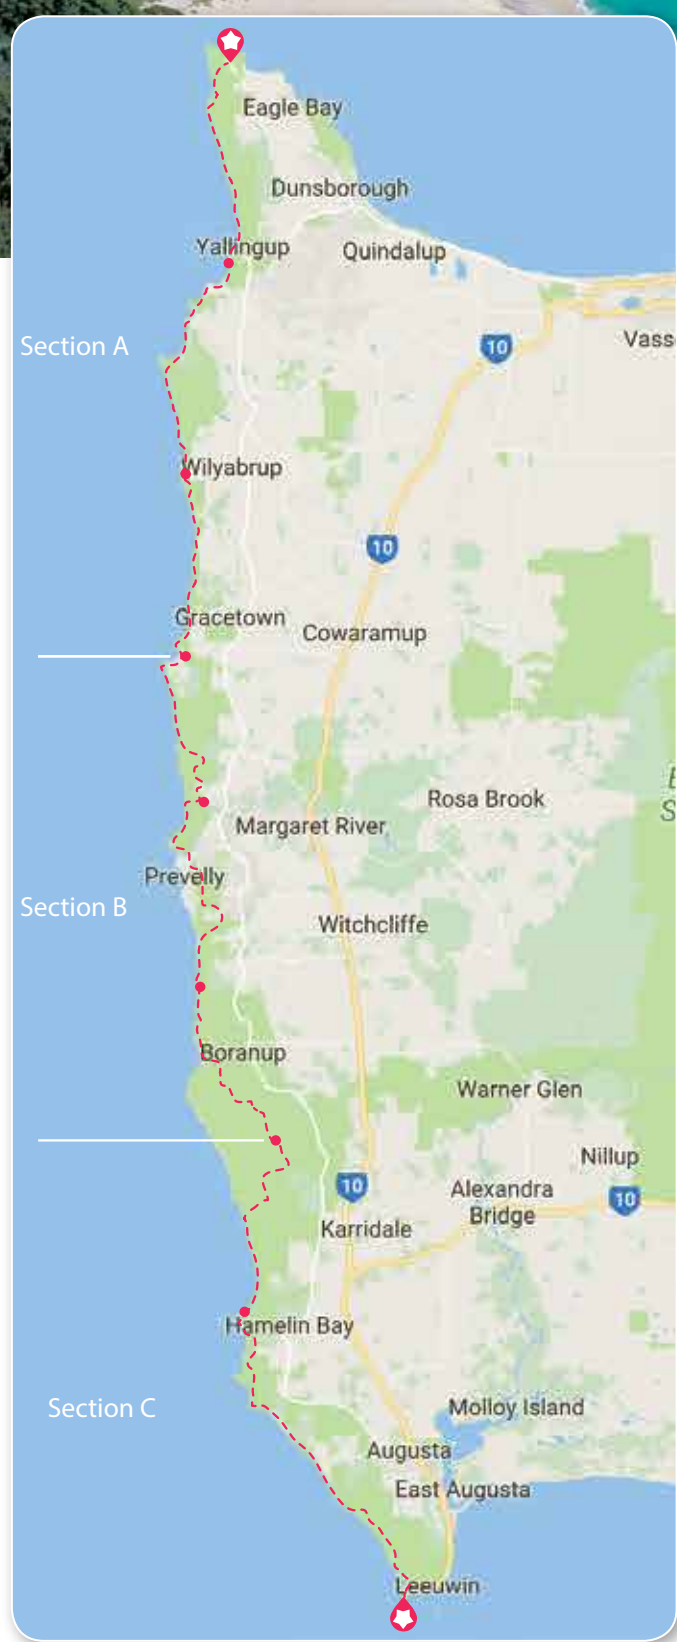

4 persons occupying 2 bedrooms – from \$545 per person

Prices may increase across weekends, school holidays and peak periods.

Check for costs of 5 & more.

All accommodation is self-catering however, in Margaret River, there are many cafes & restaurants available.
